Chapter 170: That Man Is Hanayama

A black and white manga-style illustration showing a close-up of a character's face, likely a man with a wide, toothy grin. He is wearing a headband with a circular emblem. His face is partially obscured by a complex, cage-like structure made of many thin, intersecting lines, possibly representing a net or a barrier. The background is dark with some circular patterns.

**HAVE I
SLASHED

A black and white manga-style illustration showing a character lying on the ground, seemingly unconscious or dead. The character is wearing a dark, patterned garment. A large, curved blade or scythe is positioned above the character, with motion lines indicating a powerful downward slash. The background is dark with some circular patterns.
